RE: EVENTS AT THE STATEHOUSE AND CAPITOL COMPLEX AREA

Dear Events Planner:

The Department of Administration, Division of Facilities Management is the reservation/information center for events at the Statehouse. Our goal is to protect you; to preserve your Constitutional rights of freedom of expression; to protect visitors, elected officials, and employees; and to preserve the historic beauty of the Statehouse and Capitol Complex so that others may enjoy it also.

The Statehouse serves many purposes. It is a state historic landmark. It is a place of business and the focal point of state government in Kansas. The Statehouse is being carefully restored and maintained, and it is a beautiful setting for events. The people who work in the Capitol Complex take pride in maintaining it. The work of polishing the woodwork, glass, and marble; dusting; vacuuming; heating and cooling; and picking up litter continues 24 hours per day, 365 days per year. Acres of trees and shrubs are carefully maintained by a staff of groundskeepers and landscapers who keep the Capitol Complex in beautiful condition throughout the year. The Statehouse is one of the state's most popular historic attractions. Hundreds of scheduled events take place at the Statehouse, attracting over 100,000 visitors annually.

This intense use makes it necessary to adopt policies and procedures to protect the Statehouse and grounds and the people who visit. To reserve a public area for your display, exhibit or event, you must complete and sign a Capitol Complex application. Your signature indicates your agreement to follow the policies, rules and regulations adopted by the Kansas Department of Administration. An application fee of \$20 must accompany your application. You will be responsible to pay for damages to persons or property caused by your display, exhibit or event, and for cleaning the event site.

Your cooperation and compliance with these policies, and regulations demonstrates your respect for this historic complex, the proud heritage of Kansas and helps to preserve the Complex for future generations.

Sincerely,

J.M. Fritton, P.E.
Deputy Director
